*** Disable Friendly OPD in hospital***

Barrier Free Environment is one which enables people with disabilities to move about safely and freely and to use the facilities within the built environment.

Ramps with handrails have been provided at entrance and for other elevated area.

Wheelchairs / Trolleys have been providing on entrance/ reception. Attention should be given to dimensions of wheelchairs used locally. Standard size of wheel chair has been taken as 1050mm x 750mm (as per ISI).

Disable friendly toilets with handrail and two ways swing doors have been provided at OPD.

	<p>Availability of disabled friendly toilet with bars or railings and is accessible through a ramp</p>
